4. DHEPAGUDA GP of Mohana Block of Gajapati District is connected with this block OLT for reducing incremental length.

So here 28 No. of GPs are connected with this Block OLT.

Since in SANAKHAMUNDI Block, 28 Nos. of GP will be connected with this Block OLTs, according to clause no. 17 of "Guidelines to be followed for the survey work for the incremental OF cable routes" we proposed 2nd OLT for this Block. Besides, within the loss budget calculation all GPs are not covered (Sufficient fiber is not available from Pattapur Ex to DengastaEx) if we plan single OLT.
