

Since in Jagatshingpur Block 34Nos. of GP will be connected with this Block OLTs, according to clause no. 17 of "Guidelines to be followed for the survey work for the incremental OF cable routes" we proposed 2nd OLT for this Block. Besides, within the loss budget calculation all GPs are not covered if we plan single OLT.

N.B. - 1) Ayar Gp of this Block will be connected with Raghunathpur Block OLT. Because these GPs are nearest to the Raghunathpur Block OLT and ease to connect.
2) Patilo GP & Katara GP of Tintol Block and Tarikunda GP, Jaisol GP & Baragola GP of Raghunathpur Block and Sibapur GP of Biridi Block will be connected with this Block OLT.
 Because these GPs are nearest to this Block OLT and ease to connect. So here 34 no. of GPs are connected with this Block OLTs.

N.B. - To minimize the incremental fiber and to follow the Loss Budget calculation criteria, 10 GPs of Jagatshingpur Block, 1 GP of BIRIDI Block, 3 GP of Raghunathpur Block are connected with OLT proposed to be erected in Tarikunda Exch. Situated in Raghunathpur Block.
