Map of the proposed optical fiber network in the Naigaon Degloor area. The map shows a central red line representing the existing OFC WTR, with various branches and connections. Key locations include Chitmiogra P, Bargaon T P, Kamrajpali P, Alandi P, Atkali P, Atkali E, Gajegaon P, Takli P, Adampur P, Sawali Thadi P, Mutnyal P, Khatgaon P, Minkil P, Kerur P, Biur P, Shankarnagar E, Hipparga Maal P, Kinnala P, and Ramtirth P. Distances between points are marked in km. The map also indicates directions towards Degloor and Naigaon. A legend on the right defines the symbols: red line for existing OFC WTR, black line for existing OFC SSA, dashed line for proposed OFC, blue cylinder for proposed OLT 1 NOS, purple star for proposed splitter 6 NOS, red circle with a dot for gram panchayat 17 NOS, and blue diamond for proposed joint.
