

Since in Kendrapada Block 30Nos. of GP will be connected with this Block OLTs, according to clause no. 17 of "Guillines to be followed for the survey work for the incremental OF cable routes" we proposed 2nd OLT for this Block. Besides, within the loss budget calculation all GPs are not covered if we plan single OLT.

N.B._ 1) Benipur, Chhoti, Darimul, Kurujanga, Mangalpur, Nahanga GP of Derabis Block will be connected with Kendrapara Block OLT. Because these GPs are nearest to the Kendrapara Block OLT and easy to connect.

Bhagabatpur, Chakroda & Jamdhar GPs of Kendrapara Block connected with Derabis Block OLT. Because these GPs are nearest to this Block OLT and ease to connect. So here 30 no. of GPs are connected with this Block OLTs.

3)As there is 30 nos. of GP,So,2 no. of OLT is required.
